BACKGROUND

After many years working in-house as, amongst other things, Company Secretary, governance advisor, auditor, and accountant, Salman established Ozpac Enterprises in 1996.

Salman discerned a growing need for many businesses and enterprises, operating in an increasingly complex legislative and regulatory environment, to access topflight corporate governance advice. Recognising not all businesses could afford full time in-house expertise, Ozpac evolved to offer a complete range of tailored corporate secretarial and other ancillary services.

Ozpac delivers company secretarial and corporate governance services through a variety of structures to suit each client and need, including on a part-time, project based, interim, outsourced or supplemental basis.

Since establishing the Ozpac brand, Salman has been entrusted with roles of Resident Director, Company Secretary, and Public Officer for numerous corporate entities.

His impressive client-base includes Australian based private and public companies (listed and unlisted), and local subsidiaries of foreign corporations based in the USA, Spain, Luxembourg, United Kingdom, Singapore, Hong Kong, China, South Africa and New Zealand.

EARLY CAREER

Salman initially trained as a Chartered Accountant in the United Kingdom.

He holds a Graduate Diploma in Applied Corporate Governance conferred by Chartered Secretaries Australia, and is also a Chartered Accountant.

Early career roles included 10 years with Touche Ross and Co (now Deloitte) in their London and Sydney offices.

Another highlight was his time as Assistant Group Corporate Secretary of the Goldman Fielder Group from 1988 to 1995.
